Chemicals

Aero-Chem® Beeswax Furniture Polish

- Cleans and polishes
- Lemon fragrance

Cleans away dust, dirt, fingerprints and smudges from all types of wood surfaces. Restores color and high luster to fine woods without the rubbing required with paste wax. Eliminates scratches and blemishes. Replaces essential oils to any natural or treated wood.

PART #	CAN SIZE	NET WT.	QTY.
119472221	20oz.	17oz. (482 g)	1
119472222	20oz.	17oz. (482 g)	12

Fleet-Fill® Tar & Asphalt Remover

- Non-chlorinated solvents
- Biodegradable
- Cuts through tar & asphalt

Contains a natural orange oil solvent to quickly cut through tough soils. No chlorinated solvents, CFC's or other ozone depleting chemicals. No harmful or unpleasant fumes. Use to remove tar, asphalt, and paint overspray.

- Operating temperature: -40°F to +185°F (-40°C to +85°C)
- Flammability: UL94 V2

Aero-Chem® Contact Cleaner (50 State VOC Compliant)

- Fast evaporation
- Ozone safe
- Dielectric to 25,000 volts
- Residue free
- No CFC's or HCFC's

A highly effective blend of solvents that are fast drying, non-conductive and safe to use on metal. This product works quickly to remove oil, grease, dirt and grime from circuit boards, computers, magnetic tapes, printed circuits, gauges, switches and relays. This product is extremely flammable and must only be used on equipment that has been de-energized. It also must be allowed to dry and fumes evacuated from equipment before re-energizing.

119472219	16oz.	11oz. (312 g)	1
119472220	16oz.	11oz. (312 g)	12

Aero-Chem® Chalkboard & Whiteboard Cleaner

- Cleans and maintains chalkboards & whiteboards
- Eliminates glare

It is specially formulated with a specific blend of cleaners designed for chalkboards. It cleans and removes chalk from regular chalkboards as well as dry erase boards and plastic marking boards, effectively removing chalk and marking pens from these surfaces.

Cutting Tools

Kwik Cut® Stainless Steel Drills

Engineered to drill perfectly concentric holes in most types and grades of stainless steel.

Stainless steel is not very hard, but it's very stringy. If drilling stainless steel gives you problems... this drill bit will solve them!

- Special high helix design for fast, easy chip removal
- 135° split point eliminates "walking" on curved surfaces
- Cuts faster and lasts longer... you get more holes per dollar
- Surface treated for greater resistance to rust and corrosion
