

BRUTE LUBE Metal Cutting Tool Wax

Industrial Performance · Protects Tools · Extends Tool Life · Less Mess than Fluid

Brute Lube clings to tools for a continuous shield against friction and heat, reducing tool costs and increasing tool life.

- Extends tool life and reduces chip welding during metal drilling, reaming, cutting and tapping
- Wax reduces mess - clings to tool for a continuous shield against friction and heat
- Provides precision finish with closer tolerances on finished work
- Use on steel, stainless steel, aluminum and exotic alloys

Ideal for use with twist drills, hole saws, reamers, step drills, annular cutters.

2 oz. Tub

PART #	DESCRIPTION	QTY.
121013721	2 oz. Tub	1
121013722	2 oz. Tub	24

16 oz. Tub

PART #	DESCRIPTION	QTY.
121014143	16 oz. Tub	1
121014144	16 oz. Tub	6

 **WARNING:** Cancer & Reproductive Harm.
See P65warnings.ca.gov for more info.

Cutting tools may shatter. Always wear appropriate safety equipment.

MAXIMUM LIFE, MINIMUM MESS, EASY AS A DIP

Every Small Part Counts We're here to manage them for you!®
