## Knipex® CoBolt® High Leverage Compact Bolt Cutters

- Exceptional cutting performance: 60% less effort compared to conventional high leverage diagonal cutters
- Induction hardened cutting edges (approx. 64 HRC) for cutting soft, hard and piano wire
- Cuts materials like bolts, nails, rivets, etc.
- 40-fold increase of manual force due to special joint design
- Gripping surface below the joint for gripping and pulling wires with a diameter from 3/64"
- Micro-structured cutting edges allow easy cutting of large cross-sections
- Straight blade
- Chrome vanadium heavy-duty steel; forged, multi stage oil-hardened

PART #	DESCRIPTION	QTY.
119988093	8" CoBolt® High Leverage Compact Bolt Cutters	1
119987762	10" CoBolt® High Leverage XL Compact Bolt Cutters	1

## Knipex® Water Pump Pliers

- Adjustment at the touch of a button directly on the workpiece
- Fine adjustment for optimum adaptation to different size workpieces and a comfortable gripping position
- Self-locking on pipes and nuts: no slipping off the workpiece and low handforce required
- Gripping surfaces with special hardened teeth, teeth hardness (approx. 61 HRC): low wear and reliable gripping
- Box-joint design: high stability because of double guide
- Reliable catching of the hinge bolt: no unintentional shifting
- Pinch guard prevents operators' fingers being pinched
- Chrome vanadium electric steel; forged, multi-stage oil-hardened

PART #	DESCRIPTION	QTY.
119988094	3 Piece Cobra® Water Pump Pliers Set w/Plastic Tray	1
119988095	7-1/4" Cobra® Water Pump Pliers; 18 adjustment positions	1
119988096	10" Cobra® Water Pump Pliers; 25 adjustment positions	1
119988097	12" Cobra® Water Pump Pliers; 30 adjustment positions	1

## Knipex® 8" Forged Wire Stripper 10-20 AWG

- Cuts 6-32 and 8-32 screws without threading
- Locating ridges - easy to locate stripping holes by using one of the locating ridges
- Strips 10 to 20 AWG - both solid and stranded wire
- Integrated opening spring makes frequent cutting easier
- Shear cutting blades offer 50% higher cutting capacity than competition and 25% cutting power reduction
- Cuts cable, wires, NM-B, BX and MC
- Wide gripping jaws for twisting wires
- Lock can either be used left or right handed
- Wire looping groove to loop wire for attaching to screws
- High-grade special tool steel; forged, multi stage oil-hardened
- Conduit reaming for removing burrs
- Induction hardened blades and screw shear

Maintenance Supplies & Solutions®

### Knipex® 8" High Leverage 12° Angled Diagonal Cutters

- 20% less effort required compared to conventional diagonal cutters of the same length
- Precision cutting edges induction hardened (approx. 64 HRC) cut several types of wire including piano wire
- 12° angle head for hand clearance when cutting
- Chrome vanadium heavy-duty steel; forged, multi stage oil-hardened

PART #	QTY.
119988099	1

### Knipex® 9-1/2" High Leverage Lineman's Pliers New England with Fish Tape Puller & Crimper

- High leverage design requires 50% less effort compared to conventional combination pliers due to an optimized transmission ratio
- Ergonomically optimized handle shape for firm contact to the hand and fatigue reducing operation
- Effective cross-hatched knurled gripping zone in the jaws for strong gripping and pulling
- Serrated gripping zone below the joint for powerful leverage
- Cutting edges for soft and hard wire, nails and piano wire (hardness approx. 64 HRC)
- With fish tape puller in the joint gap; with universal crimping point below the joint
- Vanadium steel, forged, multi stage oil-hardened

PART #	QTY.
119988100	1

### Knipex® 8" Long Nose Pliers with Cutters

- Elastic tips; stable even when twisted
- Distortion-tolerant, flexible precision tips
- Snipe nose side cutting pliers also known as stork beak pliers
- Hardened cutting edges (approx. 61 HRC) for soft, medium hard and hard wire
- Slim long nose is ideal for working in confined areas
- Vanadium steel; forged, multi stage oil-hardened

PART #	QTY.
119988101	1

### Knipex® 3 Piece Pliers Wrench Sets

- Replaces a full set of inch and metric open end wrenches up to 2 1/2" (68 mm)
- Smooth jaws for damage free installation of plated fittings - working directly on chrome
- Adjustable tightening tool
- Zero backlash jaw surface pressure prevents damage to edges of sensitive components
- Parallel jaws allow infinitely variable gripping of all widths to the specified maximum size

PART #	DESCRIPTION	QTY.
119988102	3 Piece Pliers Wrench Sets	1
119988103	7-1/4" Pliers Wrench; 15 adjustable positions	1
119988104	10" Pliers Wrench; 19 adjustable positions	1
119988105	12" Pliers Wrench; 24 adjustable positions	1

## Knipex® 8" Twin Grip Pliers

- Unique combination of front and side gripping
- Front jaw design grips stripped screws
- Optimized side jaw with opposing teeth for maximum force
- Side gripping jaws for round, square and hex materials
- The only 5 adjustment push-button slip joint pliers in the market
- Gripping capacity for diameters and widths across the flats from 5/32" to 7/8" (4 to 22 mm)
- Reliable gripping of flat workpieces due to the three-point system
- Box-joint design for added tool stability
- Slim head design for working in confined spaces
- Forged from high-grade chrome vanadium electric steel; oil-hardened
- Gripping surfaces with special hardened teeth, teeth hardness (approx. 61 HRC)
- Pinch guard prevents operators' fingers being pinched

PART #	DESCRIPTION	QTY.
119988106	8" Twin Grip Pliers, Non-slip Plastic Coated	1
119988107	8" Twin Grip Pliers, Multi-Component Grips	1

## Knipex® 3-1/2" TwinKey® Universal Control Cabinet Key

- 10 Profiles, 2 crosses, 1 key for all common locking systems
- Multifunctional key for the actuation of locking systems from the areas of facilities engineering (heating and sanitation, air conditioning, electro technology), gas and water supply and shut-off systems
- 8-arm version: 2, 4-way wheel wrenches connected in a space-saving way using magnets
- Reversible bit: slot 3/64 x 9/32" (1.0 x 7 mm) and PH2 cross slot
- Key and reversible bit joined by stable stainless steel wire
- Quality surface coating
- Lightweight-optimized zinc die-cast design

PART #	QTY.
119988108	1

## Knipex® 3 Piece Universal Pliers Set with Cobra® Pliers

- Three of KNIPEX best-selling pliers in one set in a plastic storage tray
- Includes 1 each of: 8" Long Nose Pliers w/ Cutter (26 11 200), 8" High Leverage Angled Diagonal Cutters (74 21 200), 10" Cobra® Pliers (87 01 250)
- Plastic tray can be used in workbenches or cabinet drawers
- Each tool cavity is precisely manufactured for each of the three tools for easy tool location and storage

PART #	QTY.
119988109	1

# SPOT LIGHT ON

## Knipex® Twin Grip Pliers

Front jaw design grips stripped screws

- Unique combination of front and side gripping
- Slim head design for working in confined spaces
  - > Gripping capacity for diameters and widths across the flats from 5/32" to 7/8" (4 to 22 mm)
  - > Side gripping jaws for round, square and hex materials
  - > Reliable gripping of flat workpieces due to the three-point system
  - > Pinch guard prevents operators' fingers from being pinched
  - > Durable construction due to box-joint design
  - > Gripping surfaces with special hardened teeth (approx. 61 HRC)
  - > Forged from high-grade chrome vanadium electric steel, oil-hardened

Push-button design with five adjustment options

Optimized side jaw with opposing teeth for maximum gripping force

3-points of contact for gripping flat objects

### ABOUT KNIPEX

Knipex is the world's leading manufacturer of professional pliers. Understanding the importance of accuracy means their pliers meet some of the most stringent specifications, strict measurements and a variety of tests. Knipex uses state-of-the-art measuring technology and long-term testing systems as well as routine testing by hand.

Made in Germany from selected steel alloys that have been rolled to their specifications.

### INDUSTRIES SERVED
