CHEMICALS

Claire® Disinfectant Spray Q*

- Hospital grade multipurpose disinfectant for hard, non-porous surfaces
- Soft spot surface sanitizer
- Controls mold and mildew
- Eliminates odors
- Kills 99.9% of germs
- NSF Registered, rated C1

EPA Reg. No. 706-111 has demonstrated effectiveness against viruses similar to 2019 Novel Coronavirus (2019-nCoV) on hard non-porous surfaces. Therefore, Claire® Disinfectant Spray Q can be used against 2019 Novel Coronavirus (2019-nCoV) when used in accordance with the directions for use against Poliovirus type 1 on hard, non-porous surfaces.

Refer to the CDC website <https://www.cdc.gov/coronavirus/2019-ncov/index.html> for additional information.

ELECTRICAL

Ratchet P Clamp

Rugged Bundle Management for Heavy Duty Applications

Engineered with both the application and the user in mind, Ratchet P Clamp offers:

- Versatility – Secure hard lines, soft cable bundles ranging from 1/4" to 2" wide
- Ease of Use – Position, torque down, close by hand – that's it!
- Alignment – Center cables as the clamp closes
- Durability – PA66 body and high grade steel mounting plate never wears out or corrodes
- Straight mounting plate
- Designed for heavy duty manufacturing, automotive and solar installations

DID YOU KNOW

Approximately 174,000 terawatts of energy consistently strike the earth at any moment, even on cloudy days. Just one hour of sunlight the Earth receives, if collected, would be enough energy to power all of humanity's needs for an entire year! Solar energy is an abundant resource that produces no greenhouse gases when generating electricity. It's no wonder solar power has become the cheapest form of electricity.
