CRIMPERS

Crimper/Cutter/Stripper

- Cuts 4-40, 6-32, 8-32, 10-32 and 10-24 bolts and screws
- Strips stranded wire 22-10 ga.; solid wire 18-8 ga.
- Crimps 22-10 ga. non-insulated terminals; 22-10 ga. insulated terminals; 7-8 mm automotive ignition terminals
- Cushioned handles
- Easy to read engraved markings
- Manufactured of heat-treated steel with cutting edge and stripping dies all precision ground
- Up front, precision ground wire cutter
- Left hand and right hand slot for looping wire

PART #	QTY.
111504784	1

Long-Handled Plier Type Crimper/Cutter

- Crimps insulated and non-insulated terminals and splices
- Crimping range 22-10 ga.
- Wire cutter included
- Long handles make gripping easier
- Plastic grips for comfort (not for hot work)

PART #	QTY.
102713722	1

Ratchet Crimp Tool

- Red - 8 ga.; yellow - 12-10 ga.; blue - 16-14 ga.; red - 22-18 ga.
- Mating mechanism prevents the jaws from slipping or mis-alignment
- Long handles make it easier to crimp (less force required)
- Easy to use & understand release mechanism
- Ergonomic design to initiate the crimp process

PART #	QTY.
102713063	1

Circuit Alert Crimper/Stripper

- Knurled nose pliers
- Stainless steel nick-resistant blades
- Looping station
- Crimper/stripper #8-20
- Cuts and rethreads bolts
- Dual grip position handle
- Sensor Included

PART #	SIZE	QTY.
110307829	8-20 ga.	1

⚠ **WARNING:** Cancer and Reproductive Harm-www.P65Warnings.ca.gov/product

Ratchet Hand Crimper

- Full cycle ratchet assures consistent terminations to industry standards
- Easily accessible ratchet release mechanism
- Produces two crimps in one tool closure
- Crimps 22-10 ga. insulated terminals

PART #	QTY.
110267677	1

Heavy Duty Electrical Terminal Crimping Tool

- Insulated and non-insulated crimper nests 22-10 ga.
- Bolt cutter
- Strips solid wire 18-8 ga.
- Strips stranded wire 22-10 ga.
- Plastic grips for comfort (not for hot work)

PART #	QTY.
101770242	1

Electrical Tools

STRIPPERS

Jaws Wire Stripper

- Automatically self-adjusts from 10-26 ga. wire
- Strips solid or stranded wire
- Crimps insulated solderless terminals 22-10 ga.
- Built-in wire cutter
- Plastic grips for comfort (not for hot work)

PART #	QTY.
101735905	1

Knipex® 8" Forged Wire Stripper

- Cuts 6-32 and 8-32 screws without threading
- Locating ridges - easy to locate stripping holes by using one of the locating ridges
- Strips 10 to 20 AWG - both solid and stranded wire
- Integrated opening spring makes frequent cutting easier
- Shear cutting blades offer 50% higher cutting capacity than competition and 25% cutting power reduction
- Cuts cable, wires, NM-B, BX and MC
- Wide gripping jaws for twisting wires
- Lock can either be used left or right handed
- Wire looping groove to loop wire for attaching to screws
- High-grade special tool steel; forged, multi-stage oil-hardened
- Conduit reaming for removing burrs
- Induction hardened blades and screw shear

PART #	LENGTH	WIDTH	HEIGHT	QTY.
119988098	8"	2-1/8"	3/4"	1

Premium Wire Stripper

- Designed for total comfort and control
- Ergonomic handles reduce hand fatigue
- Textured non-slip handles cushion thumb and finger
- Strips range 10-18 ga. solid wire

PART #	QTY.
110267678	1

Stripper Cutter Pliers

- Pliers nose for working small nuts and pulling wire
- Precision-ground stripping stations for both solid and stranded wire
- Long, curved cutter requires less force to cut; longer handles for greater leverage, ergonomic handle design
- Holes in jaw for looping wire

PART #	QTY.
102283338	1

TORCHES

Mini Butane Torch

- Butane powered, self-igniting microtorch
- Hand held or tabletop use
- Built-in self-igniting system
- Adjustable flame
- Built-in refillable fuel tank
- 2 hour run time
- Perfect for continuous heat applications
- Flame temperature: 2500°F (1300°C)
- Meets CPSC Child Safety Requirements

Applications: Electrical/electronics repair, laboratory use, plumbing work, shrinking/terminating environmental connectors, shrink tubing, silver soldering, soldering & desoldering

PART #	QTY.
102641560	1

⚠ **WARNING:** This product, when used for soldering and similar applications, can expose you to Lead, which is known to the State of California to cause cancer and birth defects and other reproductive harm. For more information go to www.P65Warnings.ca.gov.

"Bullet" Torch

- Self-igniting butane-powered micro torch
- Produces flame temperatures up to 2400°F
- Hundreds of uses ranging from heat shrinking to soldering
- A must for every tool kit

PART #	QTY.
101803262	1

Cassette Torch

- Butane powered, self-igniting mini torch
- Fueled by an ordinary gas lighter
- Produces flame temperatures up to 2400°F (1316°C)
- Hundreds of uses ranging from heat shrinking to soldering
- A must for every tool kit

PART #	QTY.
101706184	1

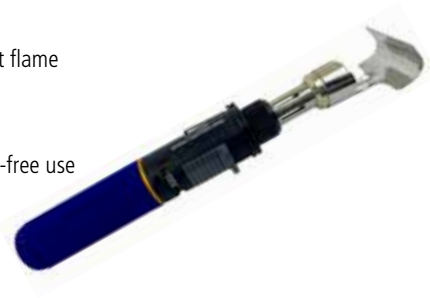

Electrical Tools

TORCHES (continued)

2&1 Baton Torch

- Flameless or pencil point flame
- Refillable with butane
- Adjustable temperature
- Heat deflector shield
- Pop-out stand for hands-free use
- Butane not included

PART #	QTY.
116693222	1

Self-Igniting Butane Torch

- Continuous burning flame lock
- Can adjust flame intensity
- 40-60 minutes of continuous use
- Butane not included

PART #	QTY.
116693608	1

HEAT GUNS

Electric Heat Gun

- Dual Settings: 572°F (300°C) and 1000°F (538°C)
- For use with heat shrink tubing and MasterLink® connectors and terminals
- Includes hard storage case and three nozzles for different jobs

PART #	QTY.
102719715	1

Professional Heat Gun

- Professional quality, heavy-duty, multiple use heat gun
- Sturdy die cast housing and powerful high-speed universal motor
- Adjustable non-slip stand
- Three position OFF-COLD-HIT rocker switch
- 6 ft. cord

PART #	QTY.
106285044	1

Heat Gun with Heat Shrink Attachment

- Flameless heat gun quickly and efficiently shrinks PVC, polyolefin and dual wall heat shrink tubing
- Tool can be held by hand or stand alone
- Comes with deflector shield attachment
- For light duty use
- Dual settings: 750°F (399°C) and 1100°F (593°C)

PART #	QTY.
101736328	1

⚠ **WARNING:** Cancer and Reproductive Harm-www.P65Warnings.ca.gov.

Variable Temperature Heat Gun*

- Variable temperature control dial for precise control
- Slide switch sets two air flow settings (7 and 14 CFM) for greater versatility
- Rubberized handle and integrated rear stand
- Includes tool case

PART #	QTY.
116687945	1
